## Summary

Motivated Junior UI/UX Designer with hands-on experience in designing and enhancing digital products. Skilled in creating intuitive interfaces, wireframing, prototyping, and building cohesive design systems. Proficient in Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator, and Jira. Collaborative team player with strong problem-solving skills, eager to create impactful experiences in the tech industry.

## Work Experience

### UI/UX Designer Intern

Slash Tech Solutions Corp., Valenzuela, Metro Manila July 2023 – October 2023

- Enhanced the company’s HRIS by standardizing UI, improving navigation, and content layout.
- Developed a Content Management System to support the company’s successful market launch.
- Gained hands-on experience with Jira for project and task management.
- Worked in an Agile environment, collaborating with cross-functional teams—including developers, QA testers, business analysts, and sales to deliver user-centered design solutions.

### Project-based UI/UX Designer

Slash Tech Solutions Corp., Valenzuela, Metro Manila October 2023 – November 2023

- Customized the HRIS for a client by integrating their branding and designing a Pakyawon module for task and payroll management, ensuring it met their specific operational needs.
